## Buddy Rally at Blue Licks Battlefield S.P

*June 02 - 05, 2011*

When was the last time you attended a Drive In Movie? Stood out front of the Russell Theater where, *The Stars are Singing*, starring local native Rosemary Clooney premiered in 1953. Or had lunch at a working cattle farm and Bed & Breakfast. How about

walking across the the field where the last known battle of the Revolutionary war was fought. These are just a couple of the things we will be doing at our Buddy Rally June 02 -05, 2011. Invite a Buddy and we will see you there!

### THE SUN SHINES ON THE KENTUCKY DERBY RALLY

After a couple of weeks of very wet weather the clouds cleared and the sun appeared for most of the Kentucky Derby Rally. 14 Units were in attendance at Good Ol' Days RV park near Midway, Ky. We had a group tour of The Old Friends horse farm, a trip to Keeneland Racecourse to watch the Oaks on the big screen. We even had a couple of members with winning tickets. If this wasn't enough activity for one day we were entertained in the evening by a local music group featuring Lee Miller's nephew Joel with a special performance by our own Artie Martin.

Hard to believe but our Children's/Grandchildren's Rally is just around the corner. Last year we had a great turn out of young people and I am hoping to continue the tradition of fun, games, and plenty of food.
